

EXETER CTC CYCLING WEEKEND- BRECON

11TH-13TH MAY 2018

The weekend will follow the established pattern of arrival on Friday evening, followed by rides on Saturday and Sunday, we will be based in Llangorse village about 5 miles east of Brecon

There is B&B accommodation available in the village at Pen-y-bryn guest house www.penybryn@activityuk.com Tel: 01874658606 and the Red Lion pub www.redlionllangorse.co.uk Tel: 01874658825. There is a large campsite at Llangorse lake www.llangorselake.co.uk . Please book your own accommodation and let me know in due course.

Evening meals on Friday and Saturday will be at the Red Lion at 7.30pm. The area is well known for many outdoor activities thus there is scope to extend your holiday either side of the weekend, with walking in the Beacons and Black Mountains and water sports on the lake, or more cycling!

I would be grateful if you could let me know if you wish to attend the weekend by 20th Feb.

Thanks
