

For other events across Devon during Bike Week -
14th - 22nd June 2008 please visit www.bikeweek.org.uk

As well as a fun day out, this event is an opportunity to support a local charity which has, for 21 years, been helping people affected by cancer.

With over £6 million raised to date, FORCE has funded local cancer research, bought important equipment and provided a Cancer Support Centre for the city.

Please help FORCE if you can - simply register and get pedalling!
