

CTC South Devon Secretary's report 2012:

In order to save time at the AGM - I'll keep it short.

Founder members Bill and Katherine Barnes are leaving us and much thanks to them for many years of support.

Good news! There are some new riders who have been joining us regularly. We've done some really nice rides too - but a couple have been ruined by very wet weather.

Bad news! Poor turnout at the recent Hillclimb/Freewheel was disappointing, despite the weather and other adverse factors.

Election of Officers: Toby was re-elected unopposed as secretary

Events: Totnes Taster to be held in May 2013 if a space can be found on the calendar, Hillclimb/Freewheel to be returned to October and its presence there to be drawn to other event organiser's attention.

Sunday Rides: Rides to be started in approximate rotation in different locations including Ashburton, South Brent and Totnes.

Recruitment: Continue poster campaign, especially in the towns where Sunday rides will now be starting.

Christmas Lunch: To be discontinued and replaced with a summer barbeque, Toby and Jim both offered to host such an event.
