Events Coordinator Report – July 2014

Details from all events that form part of this year's CTC Devon Tourist Competition have been sent to me bar one.

Despite repeated reminders I have been unable to get details of CTC Devon members who rode on the Devon Dirt event in May.

Regrettably I have had to remove that event from this years competition and no points whatsoever will be awarded to those who competed or played a part in the organising of the event.

An up to date list of the points and positions in the Overall, Ladies and the two Team competitions has been sent to the editor and will appear in the next Highwayman along with a statement concerning the Devon Dirt.

Five events are left in this year competition, final round is the 100 miles in 8/10 hours on the 14th September and it is hoped to have all the winners names published in the Highwayman due out on 2nd October.

FUTURE EVENTS

As the Mince Pie event was quite a success with over 40 members taking part last December it is down to be held again on Sunday 7th December. Is it worth considering holding a similar type of event on Easter Sunday and give out hot cross buns or Easter eggs at the finish.

OLD TRICYCLE

Have made contact with the Moretonhampstead Motor Museum concerning loaning them the old tricycle for displaying in their museum.

A photo and some details of the bike has been sent to them but to date no further news.
