Jacky Whatley and Ursula Gibbings are to organise this year's event.

## **8. Sunday and Wednesday Rides Lists**

Chris Whatley is to continue as overall rides co-ordinator and organiser of Sunday middling rides with Dave Prudden arranging the Sunday hard rides, Rob Swayne handling the Sunday easy rides and Steve Main taking care of the Wednesday night destinations. Volunteers were sought for someone to take over as Tuesday ride coordinator but none were forthcoming so it was hoped that Chris Whatley would continue in the role.

## **9. AOB**

Roger Wyman and Tom Dunn volunteered to help with the Dartmoor Devil

Tom Dunn offered to be a CTC Junior representative and it was suggested that he could attend some of Devon's Committee Meetings.

The reverse of the current business card does not mention Wednesday rides and it was hoped that it could be re-designed and re-printed to include this information.

It was decided that there would be one best newcomer award for the whole club rather than separating Sunday and Wednesday riders. Committee members would be asked to vote for the newcomer who had made the biggest contribution to the club.

Tony Avery contacted the builders of the new Claypits Road to ask if it would be cyclist-friendly and the reply he received stated that a 2 metre wide lane would be provided.

The Highwayman magazine still states that the Tuesday ride starts at Torquay Fire Station. Paul would contact the editors to change it to the Farmhouse Tavern.

Meeting Ended at 9:30pm.
